08/11/2015	Judith Lewis	N/A	Dear EPA DC Office and Regions 6, 8 and 9 FOIA Officers,
			On August 5, 2015, workers employed by the Environmental Protection Agency (EPA) triggered a breach at the Gold King Mine outside Silverton in San Juan County.
			Pursuant to the Federal Freedom of Information Act, 5 U.S.C. § 552 (the "Act"), Cable News Network, Inc. ("CNN") requests access to and copies of all records relating to communications from the EPA ground team (the EPA employees and/or contractors who triggered a breach at Gold King Mine outside Silverton in San Juan County) to regional EPA offices and EPA headquarters in the hours and 10 days following the spill on August 5, 2015, specifically including, but not limited to email, internal communications, text messages, etc.
			CNN agrees to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$300. Please notify me prior to your incurring any expenses in excess of that amount.
			If CNN's request is denied in whole or part, we ask that you justify all deletions by reference to the specific exemptions of the Act. CNN will also expect you to release all segregable portions of otherwise exempt material. CNN reserves the right to appeal your decision to withhold any information.

02/16/2015	Carol Janaan	07/24/204E	Supplyeide Gold Corporation hereby requests
02/16/2015	Carol Jensen	07/21/2015	Sunnyside Gold Corporation hereby requests the following records from EPA:
			1. All records generated, modified, received
			or sent after February 14, 2013, relating to the
			Consent Decree between Sunnyside Gold
			Corporation and the Colorado Water Quality
			Control Division of the Colorado Department of
			Public Health and Environment, Case No. 94-
			CV 5499, District Court, City and County of
			Denver, Colorado (the "Consent Decree"),
			including but not limited to documents reflecting
			communications between and among EPA, the
			State of Colorado and third parties relating to
			the Consent Decree, and internal EPA
			communications relating to the Consent
			Decree.
			2. All records generated, modified, received or sent after January 14, 2013, relating to
			Kinross Gold Corporation, Sunnyside Gold
			Corporation, Echo Bay Mines Ltd., Echo Bay,
			Inc., White Pine Gold Corporation and TVX
			Gold Incorporated.
			3. All records generated, modified, received
			or sent after January 14, 2013, relating to
			Washington Mining Company, UV Industries,
			United States Smelting and Refining Company
			and Mueller Industries.
			4. All records generated, modified, received
			or sent after January 14, 2013, relating to Todd
			Hennis, Colorado Goldfields Corporation, San
			Juan Corporation and Salem Minerals, Inc.
			5. All records generated, modified, received
			or sent after January 14, 2013, relating to Gold
			King Mines Corporation.
			6. All records relating to the Mayflower Mill
			and Tailings area located in San Juan County
08/07/2015	EPR	09/08/2015	and Tailings area located in San Juan County 1. Planning and design documents for entering
			the Gold King Mine in La Plata County,
			Colorado, to investigate whether and how to
			pump wastewater out of the mine for cleanup
			and disposal.
			2. Any risk assessments drawn up for entering
			the Gold King Mine.
			3. Any EPA guidelines and/or requirements for
			safety measures, planning and designing entry
			into inactive mines for the purposes of cleanup
			activities.
			4. The name of the on-site supervisor for the
			planned entry into the Gold King Mine, which
			resulted in a blowout on Aug. 6, 2015.
			5. The name of the company or companies that
			provided contract labor, equipment or other
			services for the planned entry into the Gold
			King Mine.

08/10/2015	ECEJ	09/09/2015	I am requesting that the EPA disclose the name and contact information for any and all contracting companies that were working in the Gold King Mine, near the Animas River in Colorado, the budget or bid that the company was awarded and the length of stay that the company was on the job.
08/11/2015	ECEJ	09/09/2015	I request all river water data samples from the Gold King Mine spill in Colorado and New Mexico, from the affected portions of the Animas and San Juan rivers. The data should include metal content and other similar data points including any preliminary data taken from the river from July 1 2015 through the processing of this request. I also request any data samples acquired through third parties.
08/11/2015	ECEJ	09/09/2015	I request any and all emails, meeting notes, incident action plans, and other similar items from any EPA employees or contractors working on the Gold King mine cleanup project in Silverton, CO from January 1 2014 through the processing of this request. This includes all communications between parties discussing the Gold King mine disaster and the ongoing cleanup effort, in particular any discussions between EPA staff/contractors and other Government and NGO's about what, when, and how to disclose information to the public.

08/11/2015	ECEJ	09/09/2015	Re: FOIA Request
